- Prepare and feed diets to the domestic and exotic animal collection.
- Clean, disinfect and assist in the maintenance and repair of animal exhibits.
- Prepare daily reports for domestic and exotic animal sections.
- Treat sick or injured animals as directed by veterinary staff and Animal Care Supervisor.
- Provide daily animal programs in conjunction with the Animal Care Supervisor, Program Manager, Membership Manager, and Guest Service Manager.
- Present animal programs to school classrooms.
- Teach Summer Fun Camp classes and workshops.
- Assist in special projects and activities.

Job Skills/Experience Requirements:

- Knowledge of animal behavior and history.
- Experience providing domestic animal care; paid experience preferred.
- At least one year of experience working with children in an educational setting (preferred)
- Interact with the public in a professional and courteous manner.
- Meet set deadlines and follow time schedules.
- Ability to work around and in close contact with animals daily.

Job Skills Desired:

- Self-Motivated and able to work with minimal supervision.
- Meet set deadlines and follow time schedules.
- Knowledge of first aid and safety practices (desired)
- General knowledge of yard maintenance, tools, and equipment.
- Understand and follow written and oral instructions and communicate clearly orally and in writing.

Education / Certifications:

- Completed courses in animal science, biology, zoology, or related fields (desired)

Job Abilities:

- Lift, carry and push or pull heavy objects up to 50 lbs.
- Applicants must be 18 years old at the date of hire or have completed high school or equivalent education.
