

2025 SUMMER FUN CĀMP

Week 1: June 9 – 13

Scaled Safari: (4-5)

FunCampers will combine up-close reptile interactions with children's books about the animals they get to meet. Kids get access to Fairytale Town's educational fleet of reptiles and learn all about what makes these reptiles unique through stories, crafts, and games. Please note: Campers will have direct contact with Fairytale Town animals.

Art in Nature: (4-5)

You can't spell nature without art! Join us for a week full of art projects inspired by Mother Nature. Campers will explore nature in an artsy week of fun working with flora and fauna to create masterpieces. Artists will be drawing, cutting, pasting and painting, using the outdoors as tools and inspiration. Parents and guardians are invited to the "Outdoor Art" reception on Friday where campers will showcase their nature art pieces.

Legomania: (6-7)

Love Legos? Get ready for a week of hands-on creativity and exciting challenges! Campers will explore the world of Lego building discovering new ways to build and create. Each day brings a new Lego challenge, encouraging problem-solving, teamwork, and imagination. Whether designing towering structures, or tackling fun engineering tasks, this camp is the perfect adventure for every young builder!

Food Science: (8-9)

Get your lab coats ready for the kitchen, as our Food Scientists embark on a week of camp for exciting discoveries! From fizzy delights to chewy goo, explore the fun side of food and learn about the chemistry that makes some foods healthy and others not-so-healthy. Engage in hands-on activities and experiments to uncover the magic behind delicious treats. Get ready to mix, measure, and munch your way through a week of educational and entertaining foodie fun!

Afternoon Adventures: Pete's Groovy Week

This week's theme is all about the groovy Pete the Cat! Campers will step their colorful shoes into the world of Pete through crafts, science, and literacy projects. Afternoon Adventures sessions are from 12 to 4 PM and can be added to a morning session to create a full-day camp experience. Afternoon Adventures are offered for all camps and feature a supervised lunch and recess time followed by more curriculum-based, open-ended activities, dramatic play, story time, and more.

2025 SUMMER FUN CĀMP

Week 2: June 16 – 20

Little Ranchers: (4-5)

Get a taste of Ranch life and help with the daily regimens that keep our friendly flock of farm animals fit and healthy. Campers will have plenty of hands-on contact with our fuzzy, furry barnyard buddies, learn historical information, and participate in related hands-on activities. Please note: Campers will have direct contact with Fairytale Town animals and animal feed. Some children may be allergic to the natural oils found in animal fur/hair and feed.

Garden Buds: (4-5)

Our Garden Buds will take a step into the enchanted world of gardening! Campers will learn gardening skills and explore the creatures you may find in them. From worms to gnomes and to fairies' campers will create their own gardens while also tending and adding to the gardens around Fairytale Town. Please note: this camp will take supervised visits to the gardens located in in William Land Park.

Humpty's Kitchen: (6-7)

Welcome to Humpty's Kitchen Chefs and the world of cooking! In this fun-filled week kids will learn the fundamentals of cooking and good kitchen practices. Taking inspiration from fairytales, Humpty's Chefs will be having a tasty and magical time. Join us on Friday for a feast made by the chefs. Please Note: Campers will be working with a variety of foods. Please ensure to list any food allergies during registration.

Puppet Power: (6-7)

Every playset at Fairytale Town tells a story, and every story can be told with puppets! This FunCamp teaches students the original nursery rhymes and fairytales that inspired the playsets at Fairytale Town. Campers are then encouraged and inspired to retell the classic tales through a variety of techniques using puppets they create. Each day brings a new story and varieties of puppets are made including paper bag, sock, stick, and finger puppets. At the end of the week, the campers will be performing their own puppet shows!

Colorful Chemistry: (8-9)

Step into the colorful world of science at our Colorful Chemistry Camp! Join us for a week of hands-on experiments and vibrant discoveries. From creating rainbow reactions to crafting glow-in-the-dark wonders, each day offers a new adventure in the realm of colorful chemistry. Our young scientists will engage in exciting activities, all while learning the fundamentals of chemistry in a fun and interactive way. Get ready to mix, fizz, and glow as we explore the magic of colors in the fascinating world of chemistry!

Comic Connections: (7-9)

The perfect FunCamp for budding artists who want to draw, draw, and draw some more! Campers will learn how to create characters, write dialogue, and develop a basic storyline. Exciting hand-on activities and fun drawing games will build upon the children's prior knowledge and skills to show them how fun art can be! Campers will have the option to create their own comic book or a freestanding art piece to display in a "Comic Book Convention" at the end of the week.

Afternoon Adventures: Hiccup's Dragon Rider's Club

Hop on your dragon and fly back in time to when Vikings and dragons ruled! Campers will learn how to train their dragon and go on a Viking journey through crafts, science, and literacy projects. Afternoon Adventures sessions are from 12 to 4 PM and can be added to a morning session to create a full-day camp experience. Afternoon Adventures are offered for all camps and feature a supervised lunch and recess time followed by more curriculum-based, open-ended activities, dramatic play, story time, and more.

2025 SUMMER FUN CĀMP

Week 3: June 23 – 27

Magic School Bus: (4-5)

All aboard The Magic School Bus with Ms. Frizzle! Get ready for a week of wild science adventures as we blast off into space, dive deep into the ocean, travel back to prehistoric times, chill with Arctic animals, and shake things up with earthquakes and volcanoes! Each day, campers will explore a new science topic through the beloved Magic School Bus books, bringing hands-on experiments, exciting discoveries, and tons of fun along the way. So buckle up—it's going to be a WILD ride!

Vivid Creations: (4-5)

Take a walk along a rainbow and discover all the colors of the world. This camp introduces art and basic color concepts to beginning, budding artists. Campers participate in a wonderful week of art projects featuring drawing, cutting, pasting, and painting in a relaxed and colorful environment. Topics explored include primary and secondary colors, drawing, color mixing, and patterns.

Little Picassos: (6-7)

This Art FunCamp has it all! Campers will explore an exciting variety of adventures in an assortment of media including abstract art, symmetrical art, sculpture art, and painting. This camp is specifically designed for the young artist who wants to try it all. Join us on Friday for the Mini Picasso Art Show on Friday.

Hero Academy: (6-7)

Calling all future heroes! At Superhero Training Camp, kids will unleash their inner superpowers through action-packed challenges, creative crafts, and teamwork. Campers will design their own capes and masks, complete exciting obstacle courses, and learn the importance of kindness and bravery. From strength training to problem-solving missions, every hero-in-training will be ready to save the day!

Sky Explorers: (8-9)

Get ready for takeoff! At Sky Explorers Camp, young aviators will dive into the exciting world of flight through hands-on activities, creative challenges, and real flying fun. Campers will master the art of making and testing paper airplanes, explore the incredible history of the flying machine, and discover the science behind what makes planes soar. The adventure doesn't stop there—they'll even get the chance to pilot model planes and watch their creations take to the skies! Join us for a high-flying week of exploration, creativity, and aviation excitement.

Clay Creation: (8-9)

Campers will become Potters, Sculptors and Animators in this week of exploring different kinds of clay. Working with sculpture, clay animation, and a mini pottery wheel will encourage kids to expand their imaginations and express their creativity. Parents are invited to visit the pop-up gallery on the last day of camp to view all the clay creations.

Film Making: (10-12)

This week, campers will dive into the world of film. Learning hands-on about techniques and skills needed to create a masterpiece. They will be writing, filming, acting in and editing original films. On Friday, join the film makers for a Film Festival showcases their work!

Afternoon Adventures: Escape to Neverland

This week's afternoon campers flying to the second star on the right, and straight on to Neverland! Afternoon Adventures sessions are from 12 to 4 PM can be added to a morning session to create a full-day camp experience. Afternoon Adventures are offered for all camps and feature a supervised lunch and recess time followed by more curriculum-based, open-ended activities, dramatic play, story time, and more.

2025 SUMMER FUN CĀMP

Week 4: July 7 – 11

Storybook Art: (4-5)

Welcome to our enchanted Storybook Art Camp, where young artists embark on a magical journey to bring fairytales and storybooks to life through the power of art! Throughout this captivating week-long adventure, campers will immerse themselves in the wonder of classic tales and create their own artistic masterpieces inspired by beloved stories.

Going Green: (4-5)

Young Environmentalist explore what it means to “Go Green”. Campers understand what it means to be sustainable through fun, interactive activities based around the five major areas of sustainability: land, air, food, energy, and water. The camp is broken down into five days, each based around one of the 5 themes.

Little Ranchers: (6-7)

Get a taste of Ranch life and help with the daily regimens that keep our friendly flock of farm animals fit and healthy. Campers will have plenty of hands-on contact with our fuzzy, furry barnyard buddies, learn historical information, and participate in related hands-on activities. Please note: Campers will have direct contact with Fairytale Town animals and animal feed. Some children may be allergic to the natural oils found in animal fur/hair and feed.

Dino Detectives: (6-7)

If you love everything about dinosaurs, then this is the camp for you! Discover how paleontologists learn about these ancient reptiles by investigating real fossils and replicas. Campers will excavate fossils, make their own fossil cast, and dig into what it takes to recover ancient dinosaur fossils! Meet real-living Fairytale Town animals and explore the unique characteristics that help them survive and link them to the dinosaurs of the past. Please note: Campers will have direct contact with Fairytale Town animals and animal feed. Some children may be allergic to the natural oils found in animal fur/hair and feed.

Drama Rama: (8-9)

Fairytale Town presents a Theatre Arts FunCamp that emphasizes creative playmaking onstage and off. Drama-Rama! Includes all aspects of theatre, from acting and scriptwriting to costume design and set/prop construction. Campers will write, design, produce and perform short plays and skits in this fast-paced, fun-filled week.

Tiny Treasures: (8-10)

Embark on a journey where creativity knows no bounds! Our camp is a vibrant space for young artists to explore the exciting fusion of imagination and crafts. campers will unlock their artistic potential with beads, wire, and boundless inspiration. Join us for a week of hands-on fun and the joy of creating beautiful jewelry, unique key chains and more!

Afternoon Adventures: Dog Man’s Supa Buddies Squad

Get ready for an afternoon of heroic fun! This week, campers will jump into the action-packed world of Dog Man, where they’ll enjoy games, crafts, and even a Supa Buddies celebration. Afternoon Adventures sessions run from 12 to 4 PM and can be added to a morning session to create a full-day camp experience. These sessions feature a supervised lunch and recess, followed by more curriculum-based, open-ended activities, dramatic play, story time, and more—because every hero needs a little extra adventure!

Week 5: July 14 – 18

Shark Week: (4-5)

If you are fascinated by some of the fastest and fiercest creatures of the ocean, then come join the frenzy of Shark Week! These fish have been swimming in the oceans longer than humans have been around. Campers will dive into the world of sharks, learning and exploring what makes these creatures so mighty. Campers will make shark teeth replicas, learn why sharks do not sink and how they survive in the deepest depths of the ocean.

Camp Create: Little Artist, Big Imaginations (4-5)

Unleash your creativity this summer at Camp Create, where Artist explore the wonders of art inspired by famous masterpieces! Each day, our little artists will dive into a world of color, shape, and texture, learning about artworks and creating their own unique masterpieces. From painting to paper mâché, sculpting with clay to crafting with cardboard and foil, young campers will experiment with a variety of exciting mediums. Guided by fun and engaging lessons, they'll develop fine motor skills, self-expression, and a love for art in a supportive environment.

Nature Detectives: (6-7)

Explore a new world and go on a real adventure. In this camp, kids will transform into Nature Detectives and enjoy a week of nature crafts, magical fairy gardens, messy mud pies, wildlife tracking and more! At the end of the week children will be sworn in as official Nature Detectives. **Please Note:** This FunCamp will take supervised adventures outside the Fairytale Town gates in William Land Park.

Camp STEAM: (6-7)

Science, Technology, Engineering, Art and Math also known as STEAM! Campers will tackle a new subject each day with hands-on activities and get to meet the women and men working in STEAM careers from our region.

Lego Engineers: (8-9)

Young builders, architects and engineers are invited to become master creators in the world of bricks and imagination! This week campers dive into the exciting realm of Lego engineering. From constructing intricate structures to designing innovative creations, our budding engineers will explore the endless possibilities of Lego bricks through hands-on activities, teamwork, and problem-solving challenges.

Dance Around the World: (8-9)

Learn different dances from around the world! Campers will twirl, twist, and tap through different countries and will get to meet different multi-cultural dancer groups and watch them perform. No dance experience is required to enjoy this global adventure. On the last day of camp, parents are invited to join in the fun during a dance showcase.

Animal Scientists: (10-12)

Calling all animal scientists! Relationships among people and animals are an integral part of our society, economy, and culture. Animals provide us with food, clothing, recreation, and companionship. Campers will explore the lab through animal behavior, biochemistry, genetics, nutrition, physiology, and the integration of these sciences with animal health. Please note: Campers will have direct contact with Fairytale Town animals and animal feed. Some children may be allergic to the natural oils found in animal fur/hair and feed.

Afternoon Adventures: The Chills and Thrills of Goosebumps

This week's afternoon campers are in for a spine-tingling adventure! Inspired by *Goosebumps*, campers will dive into eerie escapades filled with spooky games, creepy crafts, and thrilling surprises. Afternoon Adventures sessions run from 12 to 4 PM and can be added to a morning session to create a full-day camp experience. These sessions include a supervised lunch and recess, followed by more curriculum-based, open-ended activities, dramatic play, story time, and more—guaranteed to send chills and thrills down your spine!

Week 6: July 21 – 25

Galactic Explorers: (4-5)

Dive into space and the universe of science with Galactic Explorers. Young astrophysicists will participate in experiments exploring space and the natural world. From discovering planets to witnessing the magic of simple chemical reactions, Galactic Explorers provides a playful introduction to science.

Storybook Stage: (4-5)

Every story needs someone to tell it! Campers will help bring beloved tales to life and create new stories of their own, complete with props, costumes, and sets. Our storytellers will experience the magic of theater, develop performance skills, and practice stage basics through hands-on games, activities, and crafts.

X Marks the Spot! (6-7)

Ahoy, matesys! Set sail for a swashbuckling adventure where young buccaneers will hunt for hidden treasure, craft their own pirate gear, and dive into the wonders of the ocean. Campers will learn to read maps, decode secret messages, and explore real ocean science, from tides to sea creatures. With hands-on crafts, exciting scavenger hunts, and plenty of pirate fun, this camp is sure to be a treasure trove of excitement!

Culture Craft Club: (6-7)

Take a flavorful journey around the world as we explore how food shapes culture! Campers will learn about traditional dishes from various countries, dive into the stories behind them, and create culinary crafts inspired by these global flavors. Campers will discover how food plays an integral role in storytelling and cultural traditions. Hands-on, delicious, and educational, this camp is a tasty adventure that combines creativity and culture!

Jr. Beekeepers: (8-9)

Did you know that Fairytale Town has beehives and sells honey? In Junior Beekeepers campers will be introduced to the bees that call Fairytale Town home. Children will get to safely view the bees and learn about their lifecycles, how to care for hives, harvest honey, and the important role they play in our ecosystem. Please Note: Campers will visit the hives at a safe distance; some children may be allergic to bees.

EcoArt Adventure: (8-9)

Nature is full of inspiration, and it's time to turn the great outdoors into your canvas! Join us for an artistic adventure where campers will create dynamic, nature-inspired works of art. From sketching landscapes and painting with natural materials to crafting sculptures using found objects, this week blends creativity with the beauty of the world around us. Parents and guardians are invited to the "Outdoor Art" showcase on Friday to celebrate the unique masterpieces campers have created!

Afternoon Adventures: Wizarding World of Magic

This week's afternoon campers are stepping into the magical world of Harry Potter! Young witches and wizards will enjoy enchanting games, spellbinding crafts, and even a magical feast fit for Hogwarts. Afternoon Adventures sessions run from 12 to 4 PM and can be added to a morning session to create a full-day camp experience. These sessions include a supervised lunch and recess, followed by more curriculum-based, open-ended activities, dramatic play, story time, and more—because the magic never stops!

Week 7: July 28 – August 1

Legomania: (4-5)

Love Legos? Get ready for a week of hands-on creativity and exciting challenges! Campers will explore the world of Lego building discovering new ways to build and create. Each day brings a new Lego challenge, encouraging problem-solving, teamwork, and imagination. Whether designing towering structures, or tackling fun engineering tasks, this camp is the perfect adventure for every young builder!

Express your Mess: (4-5)

Dive your hands into ooey-goey slime, oobleck and so much more! Campers will enjoy a range of hands-on activities with the goal of making a creative mess. Express Your Mess will teach campers about tactical and visual senses. Each day's experiments will be connected to children's literature in this messy hands-on week of sensory make-and-take fun.

Scaled Safari: (6-7)

FunCampers will combine up-close reptile interactions with children's books about the animals they get to meet. Kids get access to Fairytale Town's educational fleet of reptiles and learn all about what makes these reptiles unique through stories, crafts, and games. Please note: Campers will have direct contact with Fairytale Town animals.

Drama Rama: (6-7)

Fairytale Town presents a Theatre Arts FunCamp that emphasizes creative playmaking onstage and off. Drama-Rama! Includes all aspects of theatre, from acting and scriptwriting to costume design and set/prop construction. Campers will write, design, produce and perform short plays and skits in this fast-paced, fun-filled week.

Prehistoric Fun: (8-9)

Journey back in time to the very beginning of Earth's history! This camp is perfect for young explorers who want to uncover the mysteries of the prehistoric world, including dinosaurs and megalodons! Campers will learn about the formation of our planet, the rise of ancient animals, and the lives of early humans. Dive into the past by investigating real fossils, exploring how paleontologists' piece together history, and creating fossil casts of their own! Jr. historians will discover how Earth's landscapes changed over millions of years, and what life was like for cave people as they adapted to their surroundings. Plus, campers will meet the creatures that still link us to our ancient past by interacting with living Fairytale Town animals. Note: Campers will have direct contact with Fairytale Town animals and animal feed, so be mindful if your child has allergies to natural oils found in animal fur/hair or feed.

Craft and Stitch: (8-10)

Unlock your creativity with the endless possibilities of fabric! In this camp, campers will dive into the world of crafting and sewing, learning basic techniques in stitching, felting, embroidery, and crocheting. Campers will work with a variety of textiles to create beautiful projects they can take home. Whether they're stitching their first masterpiece or experimenting with fun, hands-on crafts, each day will bring a new way to explore the art of fabric and thread!

Afternoon Adventures: Jurassic Journey

Get ready for a prehistoric adventure like no other! Afternoon campers will journey back in time to the land of dinosaurs, where they'll explore exciting games, create dino-themed crafts, and even go on a "dino dig"! Afternoon Adventures sessions run from 12 to 4 PM and can be added to a morning session to create a full-day camp experience. These sessions include a supervised lunch and recess, followed by more curriculum-based, open-ended activities, dramatic play, story time, and more—because the world of dinosaurs is always full of adventure!

Week 8: August 4 – 8

Sensory Lab: (4-5)

Get ready for a week of sensory exploration and fun! Campers will dive into each of the five senses—Hearing, Seeing, Touching, Tasting, and Smelling—through exciting, hands-on activities and games. Every day, a new sense will take center stage, from playing sound effect bingo and guessing scents, to blindfolded taste tests and touch challenges.

Music and Movement: (4-5)

Get ready to shake, groove, and sing in this lively camp where music and movement come to life! Campers will explore rhythm, dance, and sound through fun, interactive activities. Each day, campers will enjoy musical games, creative dances, and activities that help them express themselves through song and movement. It's a fun, high-energy experience that will have your little ones dancing all day long!

Storybook Science: (6-7)

Get ready for an enchanting week where storytelling and science collide! Each day, campers will explore a different storybook and bring the tale to life with exciting, hands-on experiments. Inspired by characters like Ada Twist, Scientist and Rosie Revere, Engineer, campers will step into the story, testing their own theories. Through imaginative activities and experiments, they'll uncover the science behind each adventure, making learning as thrilling as flipping through a favorite book!

Animal Kingdom Gallery: (6-7)

Calling all animal lovers! Get ready for a wild adventure as we explore the fascinating world of animals. Campers will learn about different creatures from all over the globe, discovering their habitats, behaviors, and special features. Each day will focus on a different animal, with fun facts and stories to bring them to life. Campers will also get creative with hands-on art projects, making animal-inspired masterpieces through drawing, painting, and crafting. It's the perfect blend of education and creativity, where campers can unleash their inner artist and animal expert!

Flavorful Desserts: (8-9)

Fairytales have common themes of magical creatures, heroes, villains...and food! Campers will become magical bakers as they bake and taste their way through different stories. Please Note: Campers will be working with a variety of foods. Please ensure to list any food allergies during registration.

Jr. Animal Keepers: (7-9)

Calling all animal lovers! This FunCamp will focus on the different animal members of Fairytale Town's family and how the Animal staff keeps them healthy. This week is packed with fun special visits with our animal ambassadors, helping with their care and feeding, keeper talks, and animal enrichment opportunities. Please note: Campers will have direct contact with Fairytale Town animals and animal feed. Some children may be allergic to the natural oils found in animal fur/hair and feed.

Afternoon Adventures: In a Galaxy Far Far Away!

Join us for an intergalactic journey to a galaxy far, far away! Afternoon campers will explore the wonders of outer space, engage in Star Wars-inspired games, and create crafts that are out of this world. Whether crafting lightsabers, designing alien creatures, or navigating the stars, each day will be a new adventure in the cosmos. Afternoon Adventures sessions run from 12 to 4 PM and can be added to a morning session for a full-day camp experience. These sessions include a supervised lunch and recess, followed by more curriculum-based, open-ended activities, dramatic play, story time, and more—because the universe is full of endless possibilities!

Week 9: August 11 – 15

Little Chefs: (4-5)

Little Chefs will dive into the world of cooking! In this fun filled week kids will learn the fundamentals of cooking and good kitchen practices. They will be having fun making pasta from scratch and trying different recipes each day. Join us on Friday for a feast made by the chefs. Please Note: Campers will be working with a variety of foods. Please ensure to list any food allergies during registration.

Seasonal Adventure: (4-5)

Explore the magic of Spring, Summer, Fall, and Winter through art and science! Campers will engage in fun experiments and create seasonal crafts, learning how each season shapes the world around us. From nature-inspired art to exciting science projects, every day will celebrate the wonders of the changing seasons!

Little Entomologists: (6-7)

In *this bug-tastic* camp, little entomologists will be introduced to the lesser-known creatures that call Fairytale Town home. Children will get up close and personal with plenty of creepy crawlers including tarantulas, bees, cockroaches, termites, lady bugs, earthworms and more! Campers will take daily surveys of the park to find and observe bugs in their natural environment and learn basic concepts including life cycles, entomology, pollination, and decomposition. **Please Note:** Campers will have direct contact with Fairytale Town's arthropods; some children may be allergic to tarantula hair, bees and/or other bugs.

Mythical Creatures: (6-7)

Dragons, mermaids, and unicorns, OH MY! Mythical creatures camp includes all the magical creatures that we love to create, tell stories, and read about. Campers will explore the magic of these legends through visual and performing arts. Imaginary play will be big this week. We will dance across the stage, put on plays, and bring out the puppet theater.

Bite Into Nature: (8-9)

From planting seeds to cooking delicious meals, this camp takes campers on a journey from garden to kitchen! Kids will grow fresh produce, learn about sustainable gardening, and then cook simple dishes using their harvest. It's the perfect mix of gardening, cooking, and exploring where our food comes from!

Whittle Wonders: (8-10)

Calling all crafters and mini woodworkers! Campers explore the world of crafts this week using different tools and methods. Crafters will get a chance to work with wood, vinyl, paint, tools and more as they try to nail these D.I.Y. projects. Please Note: campers will be exposed to power tools, epoxy, different crafting supplies, tools, and more.

DIY CAMP: (10-12)

Attention creative campers, it is time to let your imagination get to work! Join our choose your own adventure-style camp for a personalized artistic journey. Explore exciting projects with various materials in our arts and crafts shed. From painting to sculpting, unleash your imagination in a week of boundless artistic freedom!

Afternoon Adventures: Adventures in Wonderland

This afternoon campers are taking a trip down the rabbit hole! Campers will be enjoying games, crafts and a Mad Tea Party. Afternoon Adventures sessions are from 12 to 4 PM can be added to a morning session to create a full-day camp experience. Afternoon Adventures are offered for all camps and feature a supervised lunch and recess time followed by more curriculum-based, open-ended activities, dramatic play, story time, and more.
